Ross Curry Killed As Result Of Explosion

Ross A. Curry was almost instantly killed on Thursday morning when a propane tank with which he was working exploded. As no one was on the scene we may never know just what exactly caused the explosion which rent the mid-morning air, demolishing the shed where the deceased was working, and hurling him through the building and out onto the road with the result that he suffered the most terrible injuries imaginable.

Winnett Austin, who lives close by, stated that he first heard a noise that sounded like a .22 rifle and then a loud explosion. He then heard the victim calling out to him.

Mr. Austin was at the scene in a matter of seconds and found the deceased bleeding profusely, and Mrs. Austin in the meantime had tried to summon help on the phone but the explosion had knocked out the telephone line. However, Mrs. Dorothy Burke, a next door neighbour, was able to get through and the ambulance and fire reels were soon on the job.

In the meantime Mr. and Mrs. Austin had put out a small fire which was burning in what was left of the shed, and Mrs. Austin had offered Ross some water which he said he didn't need. While he was conscious for a few moments, he was dead before they could reach the hospital.

Ross Curry was in his 57th

year at the time of the accident, and had resided in this area the greater part of his life. His love of being around machinery and always a longing desire to invent new equipment resulted in his untimely death.

In the late 1940's he came up with a sawing machine that would cut four blocks of wood at a time. The said machine caused no little stir; in fact it was on display at the Lindsay Central Exhibition.

The late Ross Curry, like all of us, had his faults but was a kindly soul and the shock and sorrow that was plainly visible on the faces of those who were his neighbours attest that they and a host of others are really going to miss him.

As we write this article we are informed that the funeral service will be held from the home of his brother, Mr. A. H. (Bert) Curry) at 2 p.m. on Saturday afternoon.

Bobby English Wins Quilt

Congratulations this week to Bob English, son of Mr. and Mrs. Vance English of Haliburton, who was the winner of a Hand Made Quilt at a draw which was sponsored by the Haliburton Red Cross Society.

The draw was held on Saturday, August 31.

What Dysart Council Did

Dysart Municipal Council met on Monday, September 9, 1968, with all members present.

The minutes of the previous meeting were presented and adopted as read.

Council decided to purchase a new Duro Pump as a standby for either of the pump houses, if and when required.

A new Hydro service is to be installed in the pump house serving the public lavatories.

It was resolved that the two men presently in charge of the Haliburton and West Guilford Dumps be retained until October 19th.

Council decided to donate the charge for Fire Department services rendered at the Stanhope Airport on September 1 at their Official Opening and Fly-In.

It was resolved that the Canadian National Railways be requested to contact Mr. Lorne Bailey advising him that the recently burned mill site and yard must be cleaned up forthwith.

Accounts passed were as follows: General \$20,264.75, Road Accounts \$31,661.76, and Welfare Accounts amounting to \$1,583.21.

The Reeve and Clerk were authorized to sign the Department of Public Works offer to lease for the Post Office Department space in the Community Centre for a period of four months for the sum of \$1,200.00.

It was resolved that the road to Dover's Spring and Mud Lake be dedicated as the Spring Road.

The tender of Valleyfield Construction in the amount of \$25,479.00 for .25 mile grading, drainage and granular base of the Harburn Road in the Village of Haliburton was accepted by the Council.

The Reeve and Clerk were authorized to enter into a contract with Valleyfield Construction for tender on the Village Hill, with the approval of the Department of Highways' Municipal Engineer.

It was resolved that Departmental Form T. File 19283, re part of Lots 19 and 20, Concession IV in the Township of Havelock be completed and returned to the Department with a request that suitable acreage be

set aside for a garbage dump. Otherwise the plan is approved.

Tenders were called for a new Five Ton Truck with trade-in of the existing No. 4 Truck. Tenders to close September 20, 1968 at 5 p.m.

It was moved and passed that Fred Johnston be requested to return the \$1,500.00 paid for the recently acquired land, and the Council will then reconvey the lands to him. He can then have the property resurveyed and the Council will then determine whether or not they wish to acquire those laid out in the resurvey.

The Council does not deem it advisable to close the lakeshore allowance in front of Lots 17 to 21 according to the draft plan of subdivision of Percy Lake owned by Delbrooke Realty, and recommended the plan for approval as is.

It was resolved that Canadian Mitchell Associates Limited be requested to attend the October Council Meeting in reference to our proposed park on Head Lake.

It was moved and passed that the Museum Committee be requested to arrange their own Official Opening. The Council is prepared to assist them in any way possible.

Mr. H. J. Armstrong was given a 10-year lease, renewable yearly. The Building Inspector must insure that there is 15,000 square feet before issuing a permit.

After going over the many answers to the "Name the Park" Contest, Council have decided on the name Glebe Centennial Park.

Apparently there is a move afoot by Imperial Oil to truck gasoline direct to their main outlets in Minden and Haliburton. In view of the fact that at least one of the truckmen would lose his job and such a move could well be the beginning of the end of the railway in this area, Council have asked the company to give this matter further consideration.

The Council are asking that the Upper Canada Railway Society be requested to reconsider their decision not to run a Colour Train this year into the Highlands.

Ed Harding Passes Away

A Lindsay antique dealer, Edward Webb Harding, died on Tuesday morning in the Ross Memorial Hospital. He was 63 years of age.

Mr. Harding, who was twice an unsuccessful candidate for Lindsay Town Council, was born in County Antrim, Ireland and served with the Royal Irish Constabulary and spent five years with the British Merchant Marine.

He was formerly a member of the Leaside, Ontario Town Council, and before moving to Lindsay about four and a half years ago he operated an antique store and restaurant in Minden.

Mr. Harding, who operated Harding's Antiques, 173 Lindsay Street South, contested Town Council elections in 1965 and 1967.

Among the survivors are his wife Kathryn (nee Eber) and two sons, David of Oshawa and Richard at home.

Funeral services were held on Thursday at 2 p.m. from the Chapel of the Mackey Funeral Home, Peel Street, Lindsay. Burial was made in Riverside Cemetery.

Craig Stamp To Play In Brantford

We have just received word that Craig Stamp, son of Mr. and Mrs. Grenville Stamp of West Guilford, has been successful in gaining a position on the Brantford Junior "A" hockey club.

He played last season with the Haliburton Huskies in the Central Ontario Junior "D" Hockey League.

When not playing hockey he will be attending the Pauline Johnson Collegiate in Brantford.

We wish Craig the best of luck with his studies and hockey career.

Maniago Last To Sign

TORONTO (CP) — Goaltender Cesare Maniago, 29, a co-leader in shut-outs last season in the National Hockey League's Western Division, last Saturday signed his 1968-69 contract with the Minnesota North Stars. He was the last North Star to sign.

The North Stars have been having their pre-season training camp at Haliburton.

M. Ross Nicol

The countless patrons who over the years have walked through the doors of Laurentian Pharmacy will learn with regret of the death of Ross Nicol, P.H.M.B., who served as druggist here for quite a number of years.

The deceased, who everyone called Nick, was of a fine friendly nature which made him many friends and few if any enemies.

Nick was greatly interested in sport of all kinds, and was a voracious reader which kept him abreast with what was going on at home and abroad. It was a great pleasure to discuss with him current events, which he was ever ready to do despite failing health.

The deceased suffered greatly from an asthmatic condition, and it was thought a change of climate might be beneficial so a few weeks ago he and Mrs. Nicol went to Regina. His condition seemed to take a turn for the better, but he passed away on Friday, September 13.

We join with a host of friends in extending our condolences to the bereaved family.

Memphis Defeat North Stars 9-7

For the second year in a row the Memphis South Stars of the Central Professional League defeated their parent club, the Minnesota North Stars of the National Hockey League, in an N.H.L. Exhibition Hockey Game played at the Haliburton Arena on Wednesday evening.

Playing before a crowd of 650 hockey fans, the Memphis players were out to prove that they belong in the big time when they skated off the ice with a 9-7 decision. The fans were treated to sixty minutes of fast exciting hockey and although the players had been in training camp for less than a week they proved that they were in excellent condition.

Memphis got off to a good start with a 3-2 lead at the end of the first period, and at the end of the second frame they held a commanding 7-4 lead and held on to win by a 9-7 score.

NOTES ON THE GAME:

Seven penalties were handed out with four going to the North Stars and three to Memphis.

Danny Grant led the Memphis South Stars' scoring attack with a hat-trick.

The Echo's three-star selection was Andre Boudrias of the Minnesota North Stars and Meissner and Danny Grant of the Memphis South Stars.

Local fans had the opportunity of seeing several former players with Canada's National Hockey Team who are now with the Minnesota North Stars. They included Ken Broderick, Gary

Dineen, Danny O'Shea, Walter McKechnie, Barry MacKenzie and Marshall Johnston.

The North Stars now hit the exhibition trail with their first game tonight against the Los Angeles Kings in Barrie.

Liberal Assoc. Meet With Dave Logan

Members of the Haliburton County Liberal Association met with David Logan, Liberal candidate for Victoria - Haliburton Riding in the recent Federal Election, at his home in Lindsay the evening of Wednesday, September 11, 1968.

Following discussion of the needs of the northern part of the Riding, the following resolutions were adopted to be presented to the first General Meeting of the Victoria - Haliburton Riding Liberal Association:

- That we are against the political patronage system.
- That since the County of Haliburton is a major tourist area and that most tourists use our waterways, the Federal Government be asked to consider the dredging of waterways between lakes to facilitate boating.
- That a survey be made of the system of dams and control of water levels in Haliburton relating to the need of maintaining a higher minimum water level in our lakes.
- That the Federal Government institute or assist at local level the promotion of new

industries to use forest products from this area.

Monmouth Township Council Junior Hylanders

By T. E. DETERLING

The regular meeting of the Monmouth Township Council was held in the Council Chambers on Monday, September 9, 1968 at 7:30 p.m., with all members present.

The Clerk was instructed to write the Registrar regarding property to ascertain ownership of property being in the Rock Lake area.

Mr. Mel Broughton, Township representative on the High School Board, gave a report on Revenue and Debentures for 1967. Council registered a vote of thanks to Mr. Broughton for his services on the High School Board.

Mr. Walter Madill asked the Council to do some work on the Galmorgan - Monmouth boundary road. The Road Superintendent was asked to meet with the Galmorgan Road Superintendent to see what could be done in this area.

Mrs. James Miller asked per-

mission to build a stable in the built-up area of Wilberforce. Council decided this was contrary to the Building By-Law and advised Mrs. Miller to seek another location rather than the built-up area.

Mr. Tress of Toronto was requested to discuss some settlement of his interests in the boundary road. He was asked to meet at 8:30 a.m. Tuesday with the Road Superintendent to ascertain certain lots and survey posts in order to establish how much Township road is on Mr. Tress' property.

Mr. Walter Klapow discussed concrete work on the South Monmouth bridge repairs. It was felt by all that the Department of Highways' estimate of costs was too low, and that the Municipal Engineer have a second look at the work to be done.

Mr. Bruce Gibbs headed a delegation of several ratepayers protesting the high expenditure of funds for a Municipal Garage. The estimated cost by the Consulting Engineer was \$26,300.00; of this estimate a cost of approximately \$7,000.00 for fill to bring up the ground level of the plot of eight acres of land. The delegation protested on the grounds that other suitable ground with more area was available, and that \$7,000.00 worth of fill was money needlessly being spent. The Reeve explained that the whole expenditure would not be spent this year; only to the extent of \$10,000.00 and that succeeding councils could complete the project. Councillors Taylor and Deterling have continued to oppose location of building in this small area of low land, and also the needless expenditure of \$7,000.00 for fill. A lengthy and heated discussion then took place.

Road Accounts in the amount of \$1,767.06, Relief Accounts amounting to \$78.45 and General Accounts totalling \$496.36 were approved for payment.

Win 1968 Trophy

I wish to take this opportunity to express my thanks to those who assisted in our softball series this year.

A big thank you to Clint Halladay who ably handled most of the games for us, and also to those who faithfully transported players to the away games. I also might say that other parents could have helped out. Thanks also to those fans who were interested enough to watch these young fellows play and cheered them on to win the trophy for 1968.

Markie Schell did an excellent job of pitching as he went the entire 16 games of the season, winning 14 and losing only two. What a record, I would say. He had very good support from his team-mates, which accounts for them winning so many games.

I have coached these boys for two seasons now and find them very co-operative, and they are a fine group of boys to work with.

We had some stiff competition with the Minden Centennials team, but managed to edge them out in the Semi-Finals by three games to two. We went on to eliminate the Snowdon Flyers in three straight games.

Once again the ball season is over, with the exception of the All-Star Game when the players are picked from two teams in Minden and the one team in Snowdon to play the 1968 Champs, the Junior Hylanders of Haliburton.

As Manager and Coach of the Junior Hylanders team, I wish to commend them on their win through a fine effort and team work. I am proud of these fine young fellows and hope to have as good a team for the coming season to be in there to defend the trophy.

Wes Sawyer.

Monmouth Township Council Minutes

By C. W. RENDALL

The Monmouth Council met on Monday, September 9, 1968 in the Township Offices at 7:30 p.m. All members of Council were present.

The minutes of the previous meeting were read and on a motion moved by Mrs. Margaret Finlay, seconded by Mr. Warren Mitchell, were passed as read.

Mr. Mel Broughton gave the Council a report on High School matters regarding enrolment and finances, and he left a copy of the High School's figures with the Council for their study. As the Provincial Government has changed the setup of the Boards of Education this will be the last report to be made by him. The Council moved a vote of thanks to him for his interest, and are going to study his report.

The Council passed the following accounts for payment: Roads \$1,767.06, Welfare \$78.45, and General \$496.36.

Mr. Walter Madill asked the Council to fix the road leading to his property, as several places are highly dangerous and parts of the road should be blasted to reduce the hazard. The Council agreed to contact the Glamorgan Council regarding this road as it is a joint responsibility of the two townships.

Mrs. Jim Miller presented a petition to the Council to allow her to build a stable and keep a horse at her house in the village. As this is against the Building By-Law the Council thought that

if she was allowed to do this it would lead to a number of people wanting to keep other animals, and they therefore refused her request. Mr. Fred Oram told her he would allow her to build a stable and keep a horse on part of his property outside the village.

Mr. Tress asked the Council to make arrangements regarding the road to Little Bear Lake. As this matter has been held up for seven years and Council would like to get it settled the Road Superintendent was asked to meet Mr. Tress at 8:30 a.m. on Tuesday to determine the road line and the encroachment on Mr. Tress' property, which he claims is equal to one lot valued at \$500.00.

Mr. Bruce Gibbs approached the Council re the Municipal Garage, and he stated that if the province decides to combine the townships in the same manner as they are doing with the schools this building will be useless. There also seems to be opposition re the amount of fill needed and they have suggested other sites for this building, but the Reeve stated that the intended site was the best one available being in the centre of the Township with ample room for enlargement, and also that the site belongs to the Township and it is on the highway which is kept plowed at all times. He

also stated that one of the Councilors had taken it into his own hands to stop the engineers from going ahead with the plans, even though the Council at large had approved these plans. This was done without discussion and authority from the Council, and it was stated that unless this building is proceeded with at once it will mean that the Township's machinery will have to remain out in the open all winter which will cause a great loss of time and also serious deterioration to the machines involved.

Mr. Walter Klapow spoke to Council about the cement bridge on the old Hadlington Road, stating that unless something is done about this bridge this year it will have to be replaced next year. The Reeve stated that he had a report from one of the engineers of the Department of Highways at Bancroft saying what was needed to put this bridge in shape, and saying that the maximum cost of this work to be \$2,000.00. Mr. Klapow took exception to this estimate saying that the cost of diverting the water and pumping would cost at least \$1,200.00, and the repairs would greatly increase this figure. The Reeve said he would get in touch with Bancroft and get them to take a second look at it and revise their estimate.

The meeting then adjourned at 11:25 p.m.

A GREAT SUMMER

Today the painters came. That sounds like the refrain of the last line of a modern poem. It isn't. Today the painters came.

And tomorrow the relatives come, with their dog and children. There doesn't seem to be much connection, but there is.

The painters took all the furniture out of one bedroom and put it in another. So that's two bedrooms unserviceable. That leaves one, for four adults, two children and a poodle. Its going to be cozy.

And last night I lay in the sand by a fire and looked at a star-flung, far-flung sky, and kept brushing aside beautiful women who offered me drinks and food. Mostly sandy hamburgers. And today I have a head full of sand, literally and figuratively.

And the other night I sat by a roaring cottage fireplace on a cool night and hotly debated with old friends such world issues as Rotten Kids, and Dutch Elm Disease. Until 4:30 a.m. Nothing was settled, except the state of my health the next day.

And the night before that, a lady phoned and told us Kim had been in an accident and was in the emergency ward at the hospital. All records were shattered, getting there. A bang on the forehead, two swollen knees, 84 bruises and a three-stitch cut is pretty lucky after a head-on collision.

And yesterday the same Kim took off, hitch-hiking with a friend, for Montreal. Her aunt was horrified that we let her go. Until my wife reminded her (aunt) that she had been married at that age.

And today, thank the powers, Kim phoned and said she was safe, if not sound. She was car-sick all the way, and has a sty on her eye. But she's having an exciting, interesting time, while her parents slowly but inexorably turn gray.

And the weeds in my flower-bed stand tall and reach for the sun, while the flowers peep between their knees like frightened children.

And I haven't been fishing

once this summer. And I've played very little golf, all of it rotten. And I puff like a grampus when I swim. And my piles are acting up. And Summer is on the wane.

However, all is not lost. The hedge is clipped and the lawn mowed. The sky is blue and the sun beats down on my beady forehead and I sit at the picnic table writing my column.

My elms are still sound. My washing is on the line, whiter than white. My daughter wasn't killed in that crash. My wife is charging around like a gazelle, after an operation which everyone told her it would take from six months to a year to get over. My banker hasn't got around to calling. And my bursitis is temporarily quiescent.

So what if summer is on the wane? Summer is for babies and bumblebees and baseball players and birds. It's merely demoralizing for us lovers of the spartan life, the hard work, the regular hours.

Tomorrow I'm going to beat my brother-in-law at golf for the first time in twenty years. And the day after, we're going sailing with a chap who tips over every time he's out. This time, he won't tip.

And tonight we'll have a barbecue and the kids and the dog will romp and get in and out of trouble and we'll all bed down on the living room floor, to avoid discrimination. It's either that or I sleep with the dog.

Come to think of it, I'm one of the lucky ones. Think of the farmers, slogging it out in the sun eighteen hours a day, and worrying, worrying about the lack of rain or the excess of it. Think of the factory-workers dripping with sweat in one of those medieval plants. Think of the resort owner with a big mortgage who has just been through two weeks of cold, wet weather.

And think of all those poor devils in the concrete canyons of our cities, mashing from one air conditioned bar to another, trying to retain their cool.

I take it all back. I'm having a great summer. Just great.

IN MEMORIAM

GREEN — In loving memory of a dear Mother and Grandmother, Mrs. Elizabeth Green, who passed away September 10, 1967.

Upright and just in all her ways, Loyal and true through all her days;
Silently suffered, patiently bore, God took her home to suffer no more.

—Sadly missed and always remembered by Con, Betty, daughter and son-in-law, Grandchildren and Husbands, and Great Grandchildren.

GREEN — In loving memory of a dear Mother, Mrs. Elizabeth Green, who passed away September 10, 1967.

So many things have happened Since you were called away, So many things to share with you Had you been left to stay;

Every day in some small way Memories of you come our way, Though absent, you are ever near, Still missed, loved, always dear.

—Sadly missed and always remembered by daughter and son-in-law, Margaret and Matty from U.S.A.

GRIFFIN — In loving memory of my dear Husband, Ernest Griffin, who passed away September 15, 1968.

Days of sadness come o'er me, Tears in silence flow, For memory keeps you near to me

Though you died two years ago. —Sadly missed by wife Della.

GRIFFIN — In loving memory of my Father, Ernest Griffin, who died September 15, 1966.

Dear Dad, you are not forgotten Though on earth you are no more,

Still in memory you are with us As you always were before.

—Loved and missed by Lottie, Dick and Boys.

GRIFFIN — In loving memory of Ernest Griffin, who passed away September 15, 1966.

When evening shades are falling And we sit in quiet alone, To our hearts come a longing, If he only could come home; Friends may think we have forgotten

When at times they see us smile, But they little know the heart-ache

Our smiles hide all the while. —Sadly missed and always remembered by son Gerald and Joyce.

McGUIRE — In loving memory of a dear Mother and Grandma, Florence, who left us September 14, 1965.

Often we sit and think of you, And our hearts are filled with pain;

Oh, this earth would be a heaven Could we hear your voice again. No morning dawns, no night returns

That we do not think of you, Those left behind are very good But none replaces you.

Many a silent tear is shed While we are all alone,

So take this message to Mother, Dear God,

Tell her we love her and miss her so.

—Deeply missed by son Bruce, daughter-in-law Mae and Grandchildren.

McGUIRE — In loving memory of our dear Mother, Florence McGuire, who passed away on September 14, 1965; also our dear Father, Jack McGuire, who passed away October 14, 1959.

We dream of you, dear loved ones,

And see your smiling faces, And know that you are happy In our Father's chosen place.

—Sadly missed and lovingly remembered by daughters Joan, Leona and Families.

McGUIRE — In fond and loving memory of our dear Mother and Grandma, Florence E., who passed away three years ago September 14, 1965.

No one can ever say what's felt within our hearts today, so rather than look back in sorrow may we offer a thought for everyone's tomorrow:

Passing can be a tragedy that fills you with grief,

Or it can be a memory with a message that's brief;

Cherish your Mother with each passing day,

For you know not how suddenly the Lord may take her away.

—Sadly missed but lovingly remembered by her daughter Josephine, son-in-law Clair, and Grandchildren and Great Grandchildren (The Sawyer Family).

MINDEN UNITED CHURCH HOLD RALLY DAY

Rally Day was held last Sunday morning, September 8, at the Minden United Church in connection with the Church Service.

The Scripture was read by John Morgan, followed by a prayer by LuAnn McKnight, and Susan Archer then led the responsive reading.

Four boys acted as ushers for the occasion, with these being Brian Austen, Bradley Robinson, Terry Oake and Eddy Cox.

Awards for perfect attendance were presented by the Superintendents, Leslie Prentice and Mrs. Percy Brintnell. These were awarded to Eddy Cox, Freddy Cox, Susan Archer, Mike Elder, Ronnie Earle, and Sarah Walker.

Forty in all received awards for satisfactory attendance, and an item of note is that Eddy Cox completed 10 years of satisfactory attendance, eight of which are perfect.

The young people of the congregation are to be commended for their continued interest.

RUTH DRYDEN MISSION CIRCLE

On Tuesday evening, September 10, six members of the Ruth Dryden Mission Circle met in the Lakeside Baptist Church at 7:30.

After singing the opening hymn "Throw Out The Life Line", President Eva Howe read a portion of Scripture taken from the first Chapter of Acts, Verses 1-8, and then led us in prayer. Although many members were absent, those present received warm words of welcome from Eva.

Sunshine Cards were to be mailed to two persons this month.

The May and June minutes were adopted as read by Betty Salvatori, in the absence of Ruby Roberts. At this time it was brought to our attention by the President that Ruby had missed only one meeting in six years; a splendid record of Christian faithfulness.

After the offering was taken and prayer of thanks by Eva, a short business discussion took place. A letter was read from Nancy Marikawa thanking the Circle for used summer clothing. The Baptist World's Day of Prayer to be held on November 4 was discussed, with definite details to be decided at the October meeting.

Mission Highlights were presented by Betty, touching each of our Baptist fields in India, Bolivia and Africa, and noting the change in officers in our B.W.M.S. A prayer session followed, which brings to each member a true sense of God's presence in our midst.

In the absence of Mrs. Otto, Eva read a Devotional, "Learning To Give", with Scripture taken from Matthew 5, Verses 1-12.

MONMOUTH NEWS NOTES

By C. W. RENDALL

Well, folks, now we know the meaning of the Local News and all about it, and in my mind's eye I see myself walking in the canyons of downtown Toronto around Bay and King Streets and suddenly I am struck by the loneliness of it and my thoughts go back to my summer home for the past years. Nostalgia engulfs me and I rush around to the corner on Yonge Street where the little old news vendor who has papers from everywhere stands, and I grab a copy of the Echo and stop and open it to the news of the home town, and there again I see the doings of those three families who are busy entertaining friends from such far away places as Harcourt, Gooderham and Kimmount. Suddenly I relax — God's in His heaven, all is right with the world, and now we can live with the animals.

In my report of the Council meeting I told about the opposition to the new Municipal Garage; the reason for this as I can see stems from the fact that this building is to be located in Tory Hill instead of Wilberforce. As this site has been agreed upon by Council and approved by the Municipal Board, it is time it was started on in order to get a cover for the equipment for the winter. Also, I can say that any Council man who thinks he can run the Council on his own and even stops work on the plans has no place on the Coun-

cil, and I think it is high time he resigned and somebody else should take his place.

We notice that with the re-opening of the schools and the return home of many of our summer visitors that the local store has resumed its regular hours, so you will have to get back to routine and do your shopping early.

I had two large white birch trees which leaned badly over the cottage and could have caused a great deal of damage to both the cottage and the hydro line if they fell; I asked several people if they could take them down for me, but they were afraid of the damage they might do when they fell. So last week I asked Joe Rowbottom if he could do the job for me, and he said he could but would need help to pull the trees out of the way. So last Saturday Joe and his brother Colin, Frank Coombs and Clarence arrived at an early hour and proceeded to take them down. They fastened a rope high up the tree and two pulled on the rope, one pushed on the tree, and the other used the chainsaw. We were advised to get out of the house, but the trees were cut down safely and no damage was done to either the house or the hydro line, for which we are very thankful.

Special notice to Cottage Owners: Please be sure your name is on the Voters' List, and tell your neighbour to check too. If in doubt see Mr. Lloyd Watson, Township Clerk, Wilberforce.

N. E. Ward Attends Conferences

Mr. N. E. Ward, B.A., M.Ed., Area Superintendent of Education of the Haliburton Superintendency, attended as a delegate a Conference of the Canadian Association of School Superintendents and Inspectors. This convention was scheduled for September 17 and 18, while on two succeeding days the Conference of the Canadian Educational Association was held. The conferences took place in the Royal York Hotel at Toronto, with delegates attending both conferences from all segments of Canada.

This year the Ontario Association of Superintendents and Inspectors were hosts for the Conference of the Canadian Association of School Superintendents and Inspectors. The theme for the conferences was changes, innovations and reactions to the trends of current educational philosophy.

During the summer, under the guidance of Mrs. Schmidt and Mrs. Krick, the Crafts have been carrying on twice a week. Many articles were sold during the summer.

A fine exhibit of Hyland Crest crafts was displayed at the Minden Fair, and this received many favourable comments.

Watch for notices in this paper for dates of events to be held at Hyland Crest Home in Minden.

* * *

The U.C.W. met at the home of Mrs. J. E. Pickens.

Mrs. Willard Billings took charge of the worship period giving a fine Meditation on "Faith", followed by a hymn singing which was enjoyed. The Scripture was taken from Numbers, chapter 6 verses 1-10.

The Roll Call was answered with a verse containing "Consecrate", and a short discussion followed on the older interpretation of the word and the more modern.

Mrs. Allen Hadley gave a very inspiring topic on the "Unlimited Resources of the Bible".

At the close of the meeting Mrs. Pickens served a delicious lunch, and a pleasant time was spent over the teacups.

PERSONALS

Sympathy is extended to the family of the late Mr. Bill Smith. Bill's sudden death was a great shock to the community.

Mr. and Mrs. Art Sisson were weekend visitors with relatives in the village.

Mr. and Mrs. Tom Barry of Toronto spent the weekend with their parents.

Deepest sympathy is extended to the family of the late Mr. Elwood Harrison.

Mr. Lyle Sawyer and Mr. Steve Sisson were weekend visitors in Peterborough.

Mrs. Marg Dellar of Toronto is spending a week's vacation with Mrs. Vi Smith.

One hundred and sixty persons attended the Barry Reunion at the West Guilford school grounds on September 8. People from Niagara, Dunnville, Welland, Carny and places too numerous to mention were present. Mrs. Bessie Sims of Toronto and Mrs. Carrie Morrison of Maple Lake are to be congratulated for having it so well organized. Two lovely lunches were served, and Mr. Frank McIntyre of Haliburton was the M.C. for the day. Some very good talent was exposed. Some relatives met for

the first time in 50 years. Six were over 80 years of age and Kevin Barry, son of Ray Barry, was the youngest to attend. A very good time was had by all, and plans were made for next year.

Mr. Ron Stackhouse, who is employed in Peterborough, spent the weekend at his home, and visited with his father who is a patient in the Haliburton Hospital.
